To the Inhabitants of the Town of Hinsdale
Qualified to vote in Town Affairs.

You are hereby notified to meet at the Town Hall on Tuesday, the ninth day of March, 1920, at nine of the clock in the forenoon, to act on the following subjects:-

Article 1. To Choose a Town Clerk for the ensuing year.

Article 2. To see if the town will vote to accept and adopt the report of the Selectmen, Auditors, and other town officers.

Article 3. To choose all other necessary town officers and agents for the ensuing year.

Article 4. To see how much money the town will vote to raise and appropriate for the payment of ordinary town charges, for the support of the poor, for the maintenance of the fire

department, for lighting the streets, and for all other necessary expenses arising within the town

Article 5. To see if the town will vote to raise and appropriate the sum of two thousand dollars (\$2000) for state aid maintenance and the sum of three three thousand dollars (\$3000) for trunk line maintenance, or act in any manner thereon.

Article 6. To see if the town will vote to raise and appropriate the sum of one thousand dollars (\$1000) for the purpose of hardening the Plain Road from near the residence of Octave Donzey, to residence of Dr Charles A. Gray, or act in any manner thereon.

Article 7. To see if the town will vote to raise and appropriate a sufficient sum of money to conduct the surface water from the highway on Cream Pot Hill, or act in any manner thereon

Article 8. To see if the town will vote to raise and appropriate the sum of one thousand dollars (\$1000) to repair Ox Bow Road, or act in any manner thereon.

Article 9. To see if the town will vote to construct a sewer starting on the highway near

the Stone place, so called, and connecting with the sewer on Spring St. and raise and appropriate a sufficient sum of money for same, or act in any manner thereon.

Article 10. To see if the town will vote to raise and appropriate a sufficient sum of money to erect a suitable memorial to the soldiers and sailors of Hinsdale who served in the late war, and hear report of committee appointed at last annual meeting, or act in any manner thereon.

Article 11. To see if the town will vote to raise and appropriate the sum of five hundred dollars (\$500) for the purpose of repairing sidewalks or or act in any manner thereon.

Article 12. To see if the town will vote to authorize the Selectmen to increase the fire insurance on the Town Hall; or act in any manner thereon.

Article 13. To see if the town will vote to raise and appropriate a sufficient sum of money to repair the town snow roller, or purchase a new roller, or act in any manner thereon.

Article 14. To see if the town will vote to raise and appropriate a sufficient sum of money

to purchase two snow plows, or act in any manner thereon.

Article 15. To see if the town will vote to instruct the Selectmen to pay bill, from Hersey and Faulkner, of five hundred and forty dollars (\$540), same being town share in defending County tax suit, or act in any manner thereon.

Article 16. To see if the town will vote to assess the abutters one quarter of the expense of the sidewalk, and the total expense of all adjacent driveways, rebuilt in 1919; and all walks and drive ways which may be built in the future, or act in any manner thereon.

Article 17. To transact any other business that may properly come before said meeting.

Given under our hands and seal, in said Hinsdale, this twenty third day of February, A. D. 1920.

REPORT OF ENGINEERS

The Board of Engineers submit the following report.

The Department is in good working condition.

Three general alarms have been sounded during the year.

April 27, brush fire in Dan Duggan's pasture.

Nov. 20, C. M. Cooks, chimney fire, no loss.

Jan. 7, 1920, Hinsdale Paper Manufacturing Co., slight loss.

Respectfully submitted,

CLARENCE D. FAY,
Chief.

H. J. Delphy, First Assistant.

J. P. McCaughern, Second Assistant.

Richard Howe, Third Assistant.

Frank J. Young, Fourth Assistant.

TREASURERS REPORT

Yearly salary, 50 firemen	\$546 00
Extra time	58 25

\$604 25

By order of Town Treasurer,

604 25

Respectfully submitted,

J. P. McCAUGHERN,

Audited Jan. 26, 1920.

JOHN E. SCOTT, Town Auditor.

REPORT OF THE PUBLIC LIBRARY & READING ROOM

The following statistics of the work done in the Hinsdale Public Library and Reading Room for the year ending Feb. 1st, 1920 are hereby submitted:

Total circulation for the year	14,147
Fiction	10,930
Non-fiction	1,651
Magazines	1,566
Largest monthly circulation, March	1,476
Smallest monthly circulation, October	638
Largest daily circulation	176
Smallest daily circulation	3
Average circulation	48
Percentage of fiction	77%
Volumes added	211
Fiction	99
Non-fiction	112
Reading room attendance	3,917
Largest daily attendance	33
Average daily attendance	13

Library closed 11 days in October.

During the year, the library suffered a great loss in the death of Miss Charlotte Slate, who had served the public in the capacity of librarian most acceptably and efficiently for thirteen years, and who was largely instrumental in making our library one of which the citizens of the town may well be proud. Mrs. N. O. Maynard who had been for a short period a substitute, kindly consented to act as librarian until the vacancy could be filled and served in that capacity until October, when the committee were most fortunate in securing the services of Miss Ellen L. Brown, a librarian of long experience, who, we are con-

fidant, will give the public the same type of service it has been accustomed to receive.

The library was closed for loaning books for eleven days in October when Miss Grace Kingsland, secretary of the 10th to 24th directing the overhauling of the library, a work which was much needed, and which was done largely by local volunteers, and the substitute librarian, Mrs. Maynard. For this service, so willingly given, the committee express their appreciation. Shelves were built in the basement, to which back numbers of magazines, N. H. state reports and papers, and other material, seldom used but worth preserving, were removed. A number of dilapidated and useless books were discarded, and others in need of rebinding, were withdrawn from circulation. The remaining 7000 volumes were then rearranged on the shelves, and the whole library put in fine shape for use. Patrons can now have free access to the stocks, and make their own selection of books, if they so desire.

Owing to the constantly increasing cost of books and periodicals, it has been impossible to purchase quite as many as in former years.

A large picture of Miss Slate has been donated to the library by Mr. and Mrs. J. M. Lamb. Mrs. M. E. Fisher has been appointed to serve on the library committee, filling a vacancy caused by the resignation of Rev. C. F. McIntire.

FRED'K. S. LEONARD,
L. JEANETTE DAVIS,
M. ELIZABETH FISHER,
Library Committee.

ELLEN L. BROWN, Librarian.

The petty cash in the hands of the librarian is as follows:

State of New Hampshire

To the Inhabitants of the School District
of the town of Hinsdale, Qualified
to vote in District Affairs

You are hereby notified to meet at the Town Hall in said District on Saturday the thirteenth day of March, 1920, at three o'clock in the afternoon to act on the following subjects:

Article 1. To choose a moderator for the ensuing year.

Article 2. To choose a clerk for the ensuing year.

Article 3. To choose a treasurer for the ensuing year.

Article 4. To choose a member of the Board of Education for the ensuing three years.

Article 5. To hear the reports of agents, auditors, or officers heretofore choosen, and pass any vote in relation thereto.

Article. 6. To see how much money the district will vote to raise and appropriate for the support of the schools for the ensuing year, in addition to the amount required by law.

Article 7. To see if the District will vote to instruct the Board of Education to borrow and appropriate the sum of (\$1258.93) to pay the balance due on the High School Annex, also \$(400.) to complete painting it, making a total of [\$1658.93] or act in any manner thereon.

Article 8. To see if the district will vote to raise and appropriate a sufficient sum of money to equip and install proper toilets in the basement of the High School Building or act in any manner thereon.

Article 9. To transact any other business that may properly come before said meeting.

Given under our hands and seal, in said Hinsdale, this the seventeenth day of February, A. D. 1920.

HEADMASTER'S REPORT

To the Superintendent of Schools and Board of Education of Hinsdale, N. H.:

The following report is respectfully submitted:

With a complete change in the personnel of teachers in the high school this school year, one would naturally expect quite a deviation from the smooth-running course which any properly-organized high school should follow.

No such deviation has occurred, however, and this is the more remarkable as the assistants are all in their first year of work as teachers. This is not accidental, but incidental to adaptability and concerted effort.

The new educational policies of New Hampshire aim to place the high schools of the state above the standards set by any other New England state. In this we are trying to co-operate. Our high school has been approved, is following the standards set up by the state, and the state inspector of high schools has seen with approval our work.

Hinsdale has been very generous in supplying ample and convenient accommodations. The school now has a very good set of rooms and very well furnished and equipped. Somewhere, in the space now available, there should be room for a gymnasium; but that is now under consideration. The lighting has been greatly improved and can be improved even more.

As to equipment, we have nearly all that is necessary. Apparatus, like everything else, is not only costly now but hard to get. However by working the apparatus for different groups, we are getting on for this year. The curriculum calls for an alternation of physics and chemistry and this is the year for chemistry. More than half the school take chemistry this year.

Books and other supplies are readily furnished upon

request, the town library officials not only we are ready but alert to our needs. Stores and factories gladly welcome inspection by school groups; of which advantages we gladly avail ourselves. Such happy conditions make progress in the right way the only logical sequence of our endeavors.

The pupils have been organized into a High School Association for the purpose of promoting the social welfare of the school. Each class is also organized, and a little wholesome rivalry between classes is enjoyed.

Hinsdale is to be congratulated on having a janitor for its schools who is a complete success. To have rooms for school use well heated and well cared for and everything treated as if true interest were the motive is a condition of which few towns can boast.

I take this occasion to thank all parents and others for the good will and confidence placed in the school and its management. If there have been any seriously adverse criticisms I have not heard of them. Not many have taken occasion to visit our school, but this can be taken in two ways. Some insist that such a lack of visitors indicates lack of interest. This is not necessarily true. Instead I have usually found on inquiry that such confidence is entertained by parents and others that they feel that visits to the school are not needed.

In conclusion I wish to thank the good people of Hinsdale for their kind appreciation of all our school efforts, public and otherwise, and to thank the Board of Education for their help and ever-kindly attitude. It is a pleasure to work under such circumstances.

Respectfully submitted,

H. H. RICE,
Headmaster.

SUPERINTENDENT REPORT

To the Board of Education and Citizens of Hinsdale, N. H.:

I have the honor to submit my second annual report and the tenth in this series of reports. Under the provisions of the new law, the state was divided into 64 supervisory unions, and Hinsdale, Siranzey, Winchester, Richmond, form Union No. 25. Mr. M. D. White was elected chairman.

The teaching force suffered remarkably few changes during the year 1918-1919 and to this, is due the fact that the general school work was successfully carried through, in spite of the interruptions caused by the influenza.

The High school graduated a class of six, three of whom have entered, or are preparing to enter the teaching profession. This is a matter of satisfaction in face of the present shortage of teachers.

Commissioner Butterfield, in a recent letter to superintendents says, "We must raise teachers. There will be no material increase in the supply of teachers available for work next fall. We cannot meet our needs during the next few years, except as each district makes preparation to supply its own demand. If you have in your union forty teachers and your annual turn over is eight teachers, you must have this number annually graduated from normal and training schools and college, and available for your use, or you face the danger of closed schools. You should have your supply in mind, and your waiting list ready. Even in the upper elementary grades, you should have selected girls who are urged through high school, and normal school, for your work. This ideal should be constantly held before the girls, their parents and interested citizens."

The marked progress of the year is the new Annex, which is a credit to the efficient building committee, whose report is given in detail, and an honor to the liberality of the tax payers who so generously voted at the special meeting, May 20, the necessary funds.

The new furnace in the High School building has solved the problem of heating the building and the Annex, and when the sanitariums are installed in the basement, Hinsdale will have a modern equipped building. The change in lighting in the High School room and 3rd grade, shows what must be done in all school rooms to conform to state requirements, which say lighting must be from the left and rear.

The enthusiastic parent teachers' meeting in October when the Annex was formally opened, showed these changes were appreciated by the public. The Parent Teachers' Association which has held its meetings for years, with excellent programs, has been a bond between teachers and parents and deserves more than a passing word of praise. Mrs. Clarence E. Fay is the president of this organization. A constitution and by-laws have recently been adopted.

During the present year, the High School faculty is entirely changed, but the excellent work of Headmaster Martin G. Sanborn and his experienced teachers has been successfully carried on by the new corps, under the direction of Headmaster H. H. Rice. The State Department says we must secure for teachers suitable living conditions. We must emphasize the fact that good teachers are not to be expected to remain in communities which have not sufficient interest in the schools, so that the teachers may live in suitable homes. The people of Hinsdale have recognized this need and have opened their homes to our teachers.

Several changes have occurred in the grades. Mrs.

Eliza Strong taught the 5th and 6th grades until the Christmas vacation. Miss Mary E. Mann has been on leave of absence and her school was in charge of Mrs. Clarence Fay until the resignation of Mrs. Strong, when Mrs. Maynard took grades 1 and 2, and Mrs. Fay was transferred to grades 5 and 6. Miss Ruth Strong taught the fall term in the Plain school. She resigned and Miss Jean Frost substituted until the Christmas vacation. Miss Edme Lavasseur, in January, was elected to this position. Miss Marion Jeffords, a Keene normal graduate of 1919, succeeded Miss Lawrence in the Monument school.

Were it not for the loyalty and support of your local teachers, many of the schools would be closed. To them should go both praise and pay.

The salaries of the grade teachers have been raised twice this year. Two weeks have been added to the school year in the rural schools and grades 1-4. The scale at this time is \$15 to \$18 for the grades. This is not sufficient, and calls for a substantial increase in the appropriations. Owing to present living conditions efficient teachers cannot be obtained unless the salary is in keeping with the important place the teachers hold in shaping the future of the children.

I wish to express to the Board of Education, teachers and citizens my sincere appreciation of their hearty support and co-operation.

Respectfully submitted,

GEORGE O. SMITH.

The present high school faculty is composed of: H. H. Rice, A. B. Boston University, A. M. Eastern College, Va. Margaret J. Yeninton, Tuft College, Colette E. Powers, Boston University; Priscilla T. Colby, Framingham Normal.

Number between 5 and 8 yrs.	99
Number between 8 and 14 yrs.	181
Number between 14 and 16 yrs.	35
Number over 16 yrs.	16
Average membership	274
Average attendance	252
Per cent of	92

The cost per pupil for the school year 1918 was \$54.92, while the average for the state was \$50.71.

BUILDING COMMITTEE REPORT

To the Citizens of Hinsdale:

Your committee in charge of building the new high school annex submit the following report:

Plans and specifications for the building were prepared by Charles Barrie of Brattleboro. Six complete sets of the plans and specifications were furnished by Mr. Barrie and these were distributed to different contractors soliciting their bids for constructing the building. All our contractors in this line of work in town were given an opportunity to bid and G. W. Scott of Winchester and Pellet & Skinner of Brattleboro were also asked to bid.

Owing to the high cost of material and the difficulty of procuring same within the time specified, the only bid received was that of G. W. Scott of Winchester and being satisfactory to the Committee the contract was awarded to Mr. Scott at the price stated below which included the furnishing of all material and labor from the ground up excepting the equipment for heating, painting, plumbing and electric lighting, this work being done by local men.

Owing to the shortage of time and funds, the painting both inside and out was done only to the extent of preserving the building until the summer vacation when it will be completed and we recommend that \$400 be appropriated for this purpose, the balance, if any, to be used for grading around the building.

Like nearly all work of this kind, the committee found it necessary to exceed the appropriation \$5000, but you will recall that at the special school meeting called for the purpose of providing funds for this work, it was the opinion of some of the voters that this amount was not sufficient, and as the vote in favor of this building was practically unanimous, it being necessary to have a room

for our manual training at the commencement of the fall term and such a building being recommended by the state authorities we considered it our duty to carry the work to completion.

We feel we have a good building as to material and workmanship, the building is nicely heated from the new boiler in the basement of the old building resulting in saving fuel as well as rent for the two outside buildings which have been used for these branches of the school.

The cost of heating was arrived at by charging fifty percent of the new heating equipment to the new building and fifty percent to the old building.

The cost of the new building is as follows:

G. W. Scott, original contract	\$4,897 48
G. W. Scott, extra work	38 06
Chas. Barrie plans and specifications	64 46
C. A. Boorn, painting	187 65
H. W. Taylor, paint stock	108 79
H. W. Taylor, plumbing	111 87
H. W. Taylor, heating	737 17
E. W. Weed, wiring, lamps and fixtures	107 60
B. F. Campbell, work around sink	5 85

\$6,258 93

Estimated cost for completing painting, etc.	400 00
--	--------

\$6,658 93
